Dear Mr. Mahoney:

We are pleased that you were able to make arrangements for Director William Casey to address the Chicago Chapter of AFIO at 7:00 p.m., 24 August, in the Lincoln Room of the Bismarck Hotel, 171 West Randolph. As you already know, Mr. Casey will be speaking to the American Legion Annual National Convention at 10:25 a.m. at the Conrad Hilton Hotel.

We were also pleased to learn from  and other members of the Northwest AFIO Chapter will be in town for the American Legion Convention and may be able to attend your dinner meeting at the Bismarck Hotel. I also understand that between 15-35 members are expected to attend, and that the press will not be there.

STAT

Thank you for offering Mr. Casey a tour of Chicago as well as transportation during his stay in the city. He will be occupied, however, with official business until his meeting with your group. His transportation has already been arranged.

Enclosed for your information is the Director's biography and photograph. I am sure you will have a most rewarding meeting.

Sincerely,

Dear [Redacted]

STAT

Thank you for your assistance in arranging the Director's visit with the Greater Chicago Chapter of the Association of Former Intelligence Officers (AFIO) for 6:30 P.M. on 24 August 1982.

The meeting will take place in the lower level Conference Room A of Arthur Andersen & Co. at 69 West Washington Street, corner of Dearborn and Washington in downtown Chicago. E. John Keller, our Vice President and coordinator of the asset protection program at Arthur Andersen & Co., has arranged the conference room and he can be reached at (312) 580-0069, Ext. 2352. The conference room will accommodate 60 people but realistically we expect about 20-30 AFIO members to attend.

Although there are still many details to arrange, as I understand it, your best current information is that the Director will arrive in Chicago, accompanied by one attendant, in time to speak to the American Legion Convention at the Conrad Hilton Hotel at 10:30 A.M. on 24 August. He will be met at the airport so we will not need to meet him. After the Legion meeting and about 1:00 P.M., the Director has other commitments and we will wait for his arrival in the lobby at 69 West Washington at 6:30 P.M. We could also arrange to pick him up and bring him to our meeting.

[REDACTED]

Unfortunately, we will not be able to offer him refreshments at our meeting. After his talk and a short question/answer period (with the press assuredly barred), a small group will go about three blocks to the Bismarck Hotel for dinner with the Director. After dinner, we will either take the Director to the airport for his return to Washington or to wherever he is staying in the Chicago area.

We hope these arrangements are satisfactory and we are willing to change them to conform to the Director's wishes. Let us modestly make an additional offer. If the Director would like a tour of Chicago in the afternoon, we have the best guides in the world and would be happy to spend the afternoon with him.

Thanks again for all your help and effort. After you have had a chance to get the Director's comments on these proposals, please send us a confirming letter. This can be sent to me at [REDACTED]

Dear AFIO Member:

It is with great pride and pleasure we announce that at our next meeting on the 24 August 1982 we have as our guest speaker The Hon. William Casey, Director of the Central Intelligence Agency. Although we are still in the process of confirming details, we did want to notify you that the Director will definitely be available to speak with us on this date.

Preliminary plans are to have our meeting at 6:30 P.M. in the lower level Conference Rooms, Room A, at Arthur Andersen & Co., 69 West Washington Street, corner of Dearborn and Washington. A small informal dinner is being planned for after this meeting to be held at 8:00 P.M. at a nearby downtown hotel. The cost of the dinner will be approximately \$20 per person. However, much as we would like to keep these arrangements of a meeting followed by an optional dinner, there is a possibility that we would only be able to have the Director speak at the dinner which would then be held at 6:30 P.M. We will notify you of the arrangements once they are definite.

Should the meeting be held in the lower level Conference Room A at Arthur Andersen & Co., procedure will be to check in with the guard in the lobby who will have a list of those who have indicated they will attend. RSVP's should be made to Rosemary York, E. John Keller's secretary, at (312) 580-0069, Ext. 4608. If you do not confirm your attendance, your name will not be on the list to attend this very special function. Due to the fact that we need to make commitments for the dinner, an early reply would be appreciated and must be received no later than 18 August 1982.

This is a wonderful opportunity for the Greater Chicago Chapter to hear and discuss current intelligence issues with an acknowledged authority in the world today. Please join us for this meeting and, if you can, come to the dinner. We are hoping the original plans of a meeting with an optional dinner will work out, however, we will be in touch with those of you who have responded regarding the final arrangements.

Please keep in mind the importance of confirming your attendance by 18 August or we will not be able to include your name on the list of attendees.

Very truly yours,

Harry T. Mahoney
